

11th HOUR WORKERS

Acts 2:17-18

"In the last days, God says, I will pour out my Spirit on all people...Your sons and daughters will prophesy, your young men will see visions...your old men will dream dreams. On my servants, both men and women, I will pour out my Spirit in those days, and they will prophesy."

The Lord has been speaking to me and He said I am preparing not only the "eleventh hour workers" but those who are in "the eleventh hour"...those who are well versed in wisdom...discernment...and revelatory understanding. Those who have been in and have the embers of revival still burning within; those who are still seeking after me with their whole heart and ready to run with me. Though their physical strength may be waning, they are pressing in for my strength to run the distance and finish well. Those who will hear My voice and speak My words to the dead bones; that a great army will once again rise up and live.

I am also preparing the "eleventh hour" workers, those who have just come to the realization of Me in the past few years and are walking in a new way. I am fashioning in them a desire to do things "MY WAY" - teaching them to let go of their old ideas and old mindsets and be renewed in their thinking to be useable in my Kingdom. I am preparing them ALL....all ages....all races...creeds and nations. Those from business, commerce, trade, from all walks and avenues of life. I am calling them to a place of choosing unity for My purposes and plans.

Many old warriors and new recruits will hear "the battle cry and call" and will step up and step in together and you will see an army of seasoned soldiers and those newly enlisted take ground, change Nations and bring revival fire to the sleeping church, awakening to the lost and transformation to the Nations.

Others in the body will not understand. They will become judgmental and accusatory towards those I am calling in this end time hour. They will not spiritually understand the times and seasons and will become resentful of those I am putting alongside of them in "My vineyard." They will become offended and miss what is really happening and they will step out of their place...trying to save face.

Now is the time says The Lord: Choose this day whom you shall serve...

Will you serve Me and My purposes and plans or will you turn aside to your own will taking things in your own hands? Will you arise and shine with My glory and supernatural power and discern the lateness of the hour? Will you take your position and get in line, giving up your will and exercising mine? Will you let go of the old and take hold of the new; NOW, is the time, I'm calling to "YOU." Don't turn a deaf ear and go your own way. Rise up soldier today is the day!!!

Today is the day. Faith is NOW.

God is preparing an army and He will have HIS way regardless of what we decide today. With or without me and you, God is going to accomplish what He said He would do!!!

I want be in that army...don't you????

As God's army rises up there will be an explosion of His glory all over the earth. As one can put a thousand to flight and two ten thousand. Imagine the impact of the multitudes that ARISE AND SHINE in this hour. The brightest days are ahead for the us...the church, the body, His family, and the army of the Lord Jesus Christ.

Matthew 20:1-16

1 God's kingdom is like a man who owned some land. One morning, the man went out very early to hire some people to work in his vineyard. 2 He agreed to pay the workers one silver coin for working that day. Then he sent them into the vineyard to work. 3 "About nine o'clock the man went to the marketplace and saw some other people standing there. They were doing nothing. 4 So he said to them, 'If you go and work in my field, I will pay you what your work is worth.' 5 So they went to work in the vineyard. "The man went out again about twelve o'clock and again at three o'clock. Both times he hired some others to work in his vineyard. 6 About five o'clock the man went to the marketplace again. He saw some other people standing there. He asked them, 'Why did you stand here all day doing nothing?' 7 "They said, 'No one gave us a job.' "The man said to them, 'Then you can go and work in my vineyard.' 8 "At the end of the day, the owner of the field said to the boss of all the workers, 'Call the workers and pay them all. Start by paying the last people I hired. Then pay all of them, ending with the ones I hired first.' 9 "The workers who were hired at five o'clock came to get their pay. Each worker got one silver coin. 10 Then the workers who were hired first came to get their pay. They thought they would be paid more than the others. But each one of them also received one silver coin. 11 When they got their silver coin, they complained to the man who owned the land. 12 They said, 'Those people were hired last and worked only one hour. But you paid them the same as us. And we worked hard all day in the hot sun.' 13 "But the man who owned the field said to one of them, 'Friend, I am being fair with you. You agreed to work for one silver coin. Right? 14 So take your pay and go. I want to give the man who was hired last the same pay I gave you. 15 I can do what I want with my own money. Why would you be jealous because I am generous?' 16 "So those who are last now will be first... And those who are first now will be last"

It's time...it's time for the army of God to align and arise, the old warriors and the new recruits moving together in unity and equality with singleness of purpose and plan, and take the land!!!

We are Joel's army...scaling the walls...guarding the banks...securing the gates and and not breaking rank!!
