The plum line is dropping once again around the world and strange bedfellows will be the order of the day. End time alignment and alliances are being formed with my end time purposes in mind. We are in a season where the favour of The Lord is with us to birth and to build. Great discernment shall be released in the body and an Army of Praying Prophets raised up in prayer and intercession are coming from the background to the forefront says the Lord.

The shaking and unsettling of the moment will bring many back to their roots. MAVE MOYER

2016 will be a pivotal year...a leap year...the Hebrew year 5776 the year of the "tent peg." This is the year to nail down and secure our future...

Isaiah 54:2-3

Enlarge the place of your tent.... Stretch out the curtains of your dwellings, spare not...Lengthen your cords And strengthen your pegs...For you will spread abroad to the right and to the left. And your descendants will possess nations And will resettle the desolate cities....this year we will stake a claim and secure the future for those following and coming after us...

We will see advancement and enlargement...signs wonders and miracles happening...and it will be supernaturally natural...Nations begin to align as the world system continues to shake! We will be in a state of readiness in this hour and season and we will be a store house for those who are looking for refuge from the storms happening in the earth...

This year God's Word from Heaven will pummel the Gates of Hell and we will through our faith filled declarations break open and take back what the enemy has stolen. This is the year the hammer of His Word will break open gates that have shut us out...and were even locked...and they will open and be great and effectual doors of influence for us this year.

The Lord says: My ways are higher than your ways and My thoughts are not your thoughts. I am making a way and aligning things that are out of order...and lining things up for new victories...Fear not in the the things you hear in the clatter of the news waves...but hear me in the place of peace and stability as I bring divine order from chaos...

Right now in this next season there will be a movement of my Spirit that is greater than any other on earth...as I call those who are less fortunate...those who have been forgotten.. the lost and lonely...the outcasts and prodigals..those pierced and tattooed...those caught up New Age...gays and lesbians...people and groups that have been rejected by My Church....I am calling theses Wounded warriors by name into My Kingdom and I will make myself real to them...through break down will come breakthrough...and from brokenness...blessing shall come.

We shall see true tolerance and acceptance as God moves on those who have been broken down by Christianity and the church...and we will see the beginning of a new movement happen.

For I will pour water on the thirsty land, and streams on the dry ground; I will pour out My Spirit on your offspring, and My blessing on your descendants. They will spring up like grass in a meadow, like poplar trees by flowing streams.

I will raise up those who are unknown ...those with no name and no face will move in My power...Those not blinded with pride thinking their doctrines and beliefs are the only way....those who are not prejudiced against political parties race and other people groups.

I am resisting pride and giving grace to the ones walking in humility...You will see new leaders arise in civil arenas...those who are involved in non-governmental organizations and institutions....they will manifest the interests and will of citizens and individuals and organizations which are independent of the government...and they will influence governmental decisions for me...

Deeper insight...discernment and revelation is coming. Take time to ponder with Me...listening and journaling what you hear...Listen with expectation of hearing My voice...for this will be a year of clarity in communication...

I AM preparing my children..those who I will reveal this year...many who have been living in obscurity will begin to come forth.

Seven years of walking in the wilderness has given way to seven years of promise and plenty...As this happens the earth is groaning and travailing bringing forth the sons of God...

“I consider that our present sufferings are not worth comparing with the glory that will be revealed in us. For the creation waits in eager expectation for the children of God to be revealed.” Romans 8:18–19

“We know that the whole creation has been groaning as in the pains of childbirth right up to the present time.” Romans 8:22

We are about to see one of the greatest moves of God that will bring forth his children in love, hope and joy to the world.

We will begin to see the church move out of her inability to yield...and her pride in specific doctrinal beliefs will begin to waver... as “the powers that be” make room for the “POWER THAT IS” and the God of the IMPOSSIBLE begins to take the centre stage.

The “Force of Favour” will continue this year as many gain new understanding of Kingdom reality...and see it established in greater measure... It’s time to walk in the authority of the believer like never before. My people will move in greater spiritual discernment as they confront and confound the enemy taking back and recovering all that has been stolen.

This year we will see supernatural giving...and receiving...as we continue in the remaining seven years of plenty...

Praises move my hand and worship moves ME...this year as your reverence goes to a deeper and higher place. Ruling thrones and powers and principalities in high places will be overthrown...This year God will invade our present reality...reconcile our past...and release us into divine destiny... It will be a year of heavenly visitation that will prepare us to stand fast during the things that are still coming upon the earth.

The glory...the presence...the love and the person of God will be in great evidence in the lives of the people of God this year... as many will come to know Jesus and be received into the Kingdom family.

We will leap with joy in this leap year...It is time to sing...and shout...time to make a joyful noise...as we see an increase of the kingdom of God advancing on the earth.

The glory of God is coming in a tsunami wave and no man will be able to take credit for it. God has set “an appointed time” for this glory to come and we are blessed to be alive to see it. Be ready this year to be naturally supernatural...

Men and women...Deborah’s and Jael’s are going to arise together bringing victory to the body of Christ this year by driving the word of God into the old mindsets that have hindered and even stopped the people of God...,We will see the mind of Christ being fully established as believers begin to think God thoughts that will bring about supernatural God happenings...

The plumb line between disbelief and faith has been dropped, the Lord has already decided on this time and circumstance long before it existed...2016...5776 the year of the tent peg...

Leaders will step up and in and are truly going to train, equip and release...
They will expand...enlarge and take ground...and will not limit...organize or try to bring order and control to the glory and presence of the move of God.

Waves of healing will come as the winds of change blow and rains of reconciliation bring forth the plans and purposes of God. This year we will be startled by the surprises and suddenlies of God...keep watch on Israel as He gathers many in Jerusalem within the year to come...to speak forth His plans and purposes over the City of Gold...establishing His will and releasing His Kingdom...

Fear will never override faith as we move forward in the principles...plans and purposes of God...HE is and forever will be on the throne!! Let his will be done and his kingdom come in 2016.
